Dear JUDGE SARIS

Your Honor I writing this letter concerning this matter I filed A motion to continue for 120 days on FEB 22, 2005 And I noticed it was not Docketed I had writing it from Solitary confinement with A pencil and paper Because I couldn't get my Hands on A typewriting so I filed a new one today to see if you get it soon. I hope you can grant me this motion Because in June they should be some Disions on priors in the Serpreme Court that could help me out with my case and you please hold on your ruling on my case till I could repare Better to the gaverment's arguments I Also filed for a motion to release or a court order, so Fmc Devens could give me the telephone calls Between me and Steven Rappaport. I Also filed that in writing form!

Thank you very much for TAKING the Time to read this your honor.
